The applicant requests a Major Use Permit to operate and maintain a 14-person Group Care Facility within an existing single-family home and accessory dwelling unit. Conversion of a detached garage and breezeway to an office is also proposed. All parking will occur on-site. The project is subject to the Semi-Rural (SR-2) General Plan Land Use Designation and is zoned Limited Agricultural (A70), which allows Group Care facilities with approval of a Major Use Permit pursuant to Sections 2705 and 7358 of the Zoning Ordinance. The 8.19-acre site is located at 1217 and 1219 Elm Street in the Ramona Community Plan area, within unincorporated San Diego County. A Notice of Exemption (NOE) has been prepared for this project pursuant to the California Environmental Quality Act and is on file with PDS. The Planning Commission will determine whether to approve or deny the MUP, and whether to adopt the NOE (APN 280-063-05).

**2. El Nopal Tentative Map; PDS2017-TM-5619; Lakeside Community Plan Area (N. Gustafson)**

This project proposes a Tentative Map consisting of 17 single-family residential lots on a 3.86-acres site. Access to the site is provided from a private road connecting to El Nopal Road. The project site is zoned Single Family Residential (RS) and is subject to Village Residential 7.3 (VR-7.3). The site is located at 11320 El Nopal Road, in the Lakeside Community Plan Area, within unincorporated San Diego. The project has been reviewed for compliance with the California Environmental Quality Act (CEQA) and the project qualifies for an exemption from additional environmental review pursuant to CEQA Guidelines §15183. A Notice of Exemption (NOE) has been prepared for the project and is on file with PDS. The Planning Commission will determine whether to approve or deny the TM, and whether to adopt the NOE (APN: 379-023-39).

**3. Aventine at Sweetwater Springs; PDS2018-GPA-18-004; PDS2018-SPA-18-002; PDS2018-REZ-18-002; PDS2018-TM-5627; PDS2018-STP-18-013; PDS2018-MUP-70-299W1M32; PDS2018-ER-18-19-003; Spring Valley Community Plan Area (D. Russell)**

The project is a General Plan Amendment (GPA), Specific Plan Amendment (SPA), Rezone (REZ), Tentative Map (TM), Site Plan (STP), and Major Use Permit (MUP)

Minor Deviation for a 92-unit residential development on a 10.6-acre property. The property is currently developed with a commercial shopping center. The proposed project is located at the corner of Sweetwater Springs Boulevard and Austin Drive in the Spring Valley Community Plan Area, within unincorporated San Diego County. The proposed GPA would change the General Plan Land Use Designation from General Commercial to Village Residential (VR-10.9) and would amend the Spring Valley Community Plan maps and text to be consistent with the project. The SPA would amend the Rancho San Diego (Sweetwater-Avocado) Specific Plan (SP-74-01) to change the land use designation from General Commercial to Multi-Family Residential, for consistency with the proposed GPA. The REZ would change the zoning designation from General Commercial (C36) to Multi-Family Residential (RM). A TM is required for the condominium subdivision, and a STP is required due to the "B" Special Area Designator, ensuring the project is consistent with the Spring Valley Design Guidelines. Finally, a Minor Deviation will be processed to remove the property from MUP-70-299. A Mitigated Negative Declaration (MND) has been prepared for the project pursuant to the California Environmental Quality Act and is on file with PDS as Environmental Review Number PDS2018-ER-18-19-003. The Planning Commission will recommend to the Board of Supervisors whether to approve or deny the GPA, SPA, REZ, TM, STP, and MUP Minor Deviation, and whether to adopt the MND.
